APPARITION OF THE VIRGIN MARY IN CASA DO CRISTO DO BEM, RIO COMPRIDO, RIO DE JANEIRO, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, I want you all to sing the Hail Mary to Me. I am here to listen to you.

Let go of your faults and open your hearts. I am your Mother, the Queen of Peace.

Lift up your candles as a sign of peace for the world. Today I come to pray for you and for humanity, to untie the knots that get in the way of the freedom of My children.

Listen to My Heart; It is your only refuge.

I am here, welcoming your pleas, My children, and those of your families; give them all to Me.

Now, My children, listen to My Message.

The enemy fears My power, because it is deeply unknown to it. The power I have is Love, which defeats all evil, changes every heart and transforms a whole life.

In this very difficult time, seek the power of My Love, which is the merciful Love of My Son, which I pour out through My Immaculate Heart for all.

Open the doors of your hearts and lives, and seek the essence of My maternal Love. I hope to deposit it in each of you, as in each moment of prayer that your lips share with My voice.

Today, I am received with gladness and rejoicing, and this greatly relieves My Heart in light of the grave faults that all of humanity commits.

Place your aspirations in My Immaculate Heart. God wishes to have you experience new things, transformative things that you will not recognize in yourselves.

Thus, it will be through the essence of My Love and of the authority of My celestial power that your lives will soon be free; you will achieve the healing which you have so spiritually sought and you will be very close to My Heart, in the shelter of My maternal arms, where I always want to have you so as to observe you, console you and give you My most pure Love.

You, My children, can be sparks of My Immaculate Heart. See how many sparks have already been ignited through the Children of Mary. Seek the consecration of your lives.

Do not fear what disturbs you or makes you uneasy. My Heart will always protect you.

I come to bring relief to your sorrows and faults. I come to give you the spring of My divine healing, but I need hearts that are repositories of My Truth, My Love and My prayer.

In this way, little by little, My children, as if nobody perceived it, the world will be transforming inwardly. The inner seed of all souls, which is the Divine Light of God, is going out in many hearts.

Through My promise to the Creator, I come to reignite your spirits so you may reach the immaculate path, the sacred path that will always lead you to experience redemption, redemption through My Son Jesus. He ardently waits for you in the hour of His infinite Mercy so that all the souls of the world are able to recognize the source of His Love, which continues to be poured out over the world, even though Justice is already active.

Seek the spring of My Son. Seek His Mercy and His Compassion. No longer lament over your lives, stop suffering from your own sorrows. Set your hands to service and charity; in this way, you will please the Heart of the Celestial Father; because He, from His Greater Kingdom, will see the suns shinning in all this planetary firmament.

I come to wake up your missionary heart, your desire to serve and give of yourself, to forgive and to love.

Humanity has forgotten the essence of forgiveness. Thus, I come on this evening to meet with you because, from the first moment when I appeared for you on this evening, your souls and hearts gave Me what you still have not forgiven.

My Heart will transform all things. My Heart is the divine Law of Peace and Love. Dare to forgive that which you have not forgiven. Beloved children, you are in time for doing so.

My Heart will always aid you. I will never leave you alone while you pray with Me through the prayer of the heart.

Reinforce your pleas to Heaven. Your guardian angels are available to serve you. Who will listen to them? Who will perceive their invisible presence?

There are many angels that are being subjugated, mainly in these great cities, because they cannot manage to carry souls toward the Love of God, because they are bound by the lives of humankind. And each time I come to this place, as well as to each city I visit, My Heart frees them and takes them to Heaven, so that the guardian angels of all souls of the Earth can renew the principle of their mission and return to serve you in simplicity, in charity and in love.

I do not come only to see you, but rather each of your angels; the angels that are lost in this city and that need all your prayers, My children, so that they themselves can be freed and manage to transform the life of all beings, which is very lost.

But My Heart was consoled today by your hearts. I can reflect My smile of Light into your lives. That will always calm Me, because I see consistent and available hearts, at any hour and place, responding to My call to prayer, to service and also to transmutation.

Dear children, beloved children, hold My Words in your hearts.

I come at this very difficult time to work with My Love in each of your hearts, so they may be strengthened for the times that will come, because you must be prepared for the Return of Christ.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Those who respond to My call represent the hope of My Immaculate Heart. Because even though this world, My children, often seems irreversible because of the darkness that dwells in it; when I come to the world and find hearts that pray, that light the flame of devotion in the depths of their essences, I open a door to the Throne of God, and thus show the Creator how humanity still generates merits for the salvation of this planet and the Kingdoms of Nature.

But on this night, I say to you that the world still has much need of your help, that you perpetually pray. That in the same way you pray when you are with Me or when you prepare the way for My coming to the Earth, in this way you should pray every day; because when you always truly pray with your heart, I find an opportunity for coming to the world. And even though you do not see Me, you will be able to feel My Heart, because I will be close to you, carrying your prayers to the Lord, as merits of humanity for the salvation of so many souls that are lost.

You cannot imagine, My children, that the great pain of the Lord can be relieved by such small prayers. In this way, you will see that it is not much that I ask of you; I ask you for small efforts, yet sincere and true.

Thus, on this night, I have a new request for you: in this house, I want to see a point of Light for the world. And just as you are here today, I ask that you find a space in your lives to not allow the stronghold I am building in this place be lost, and that it must be built with the effort of each of you.

In the same way, My children, I need each Marian Center to be aided by the Children of Mary and by all those who in their heart feel like responding to this call.

God needs to see the effort of human beings to balance all the indifference that exists in the world. Evil strives day and night, My children, to expand its reign on the planet. And where will the soldiers of Christ be who, through prayer, service, and charity, must expand a new Light in the world, that will light up the abysses, that will illumine the essence of all beings, that will rescue the Kingdoms of Nature, which are so lost?

This is My last call. I am making all the efforts, My children, that I am able. Every day I kneel before the Lord, offering Him all that I have, up to the purest Rose of My Heart for the salvation of humanity. But the Lord asks Me to come to the world and wake up the heart of humankind; because not only My Divine Heart must cry out, the human heart must daily lift its cry to Heaven, just as the Son of God did; so that, through the sacrifice and surrender of your lives, Mercy is able to be poured out again over this world.

Listen to My call, My children, which with so much Love enters your being. My Peace returns to the world through your lives and must expand into each space of this planet through your hearts, the peace-bringing you will carry out in your families, in your homes, in your work, in the daily life of each of you. I want to be with you not only in prayer, but also in service and in each small daily action.

Do not forget, My dears, that each small act of your lives is an opportunity to generate merits with God for the salvation of many souls that do not deserve it, but need it.

Today, while this place, this city, is lost in illusions, in festivities, I want you to cry out for all those who do not listen to My Voice, for all those who do not know Me; for in this way, My children, My

Mantle will not only expand over this place, but also in all this nation and in this world.

Pray with Me for peace in each instant of your lives. I will always wait for you and always hear you.

Friar Elías del Sagrado Corazón de Jesús transmits the words of the Virgin Mary:

The Universe of God gave you this house so that you could learn to serve, to love and to forgive.

The time has come, My children, that you renew this sacred space, because here, the inner Christs must wake up through redemption and peace.

I see, dear children, that you have gifted Me with a heart of roses. At the end of this meeting, give a part of My Heart to each soul so that they see, in this symbol, the infinite expression of My Love for all the world, for this humanity, and for each of the souls.

Continue to pray for the souls that are lost, mainly for those that are mutilated and suffer the consequences of the enemy. My Heart, through your sincere prayers, will aid the world and will always release it from all evil; for the time has come, beloved children, for the soldiers to begin to work and form the armies of Light in the preferred cenacle of My prayer.

I leave here with joy. My eyes illumine your paths.

Continue to transform your hearts with patience. I will always guide you, beloved children.

Once again I ask that, in honor of God the Creator, and for all those who suffer, you sing to My Heart. In this way, I will lift up your sweet voices to the Throne of the Father, which must be voices of love that express thanks and love for the Creator.

I thank you, beloved children, for responding to My call.

Pray, pray a lot; do not forget to pray. You need it and the world also. In this way, you will allow Me to return here to bless you.

And while you sing to Me, lift up your rosaries so that I can bless them with the luminous sign of the Cross of My Son.

I bless these sacred and immaculate elements that provide Light and the conversion of souls, with the celestial permission of God and with the intercession of My beloved Son, in the name of the Father, the Son and the Holy Spirit. Amen.

Song: "Our Lady."

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

I ask you to stand up and sing, for thus, I will consecrate each of your souls.

Friar Elías del Sagrado Corazón de Jesús transmits the words of the Virgin Mary:

I am present, listening to your voices, opening the doors of Heaven for the hearts that suffer.

Sing to Me with more love and with faith.

I bless you again in the name of the Father, the Son and the Holy Spirit.

Walk with Me.

Mother María Shimani de Montserrat:

Well, we will share some things with you that have happened and some requests of Our Lady.

We will first ask Friar Elías to share those things that Our Lady requested of us.

Friar Elías del Sagrado Corazón de Jesús:

Each meeting with Mary is a renewal of our lives. She came here as the Queen of Peace, wearing Her blue Mantle, Her light blue robe with a blue sash, barefoot, praying for each of us. As we went praying, a thread of Light gradually descended over the city of Rio de Janeiro; everything around that was dark began to be absorbed by that channel of Light, and within this movement, there were many souls that were also being freed by the angels that accompanied our Mother.

When Our Lady named our guardian angels, for a few minutes, each of our angels manifested and there were far more than us who were present. The guardian angels of each of us were grateful that Our Lady spoke for them, for they are permanently in service.

When we were intoning the song, now at the end, the manifestation of Our Lady Mary of Succor appeared, carrying the Child Jesus in Her arms, Who manifested very strongly, opened His arms, showed His small Heart, and said: "I will always reign."

Afterwards, Our Lady showed Her Crown, which was not a Crown of Hers, but rather She said that today we crowned Her with our love.

She made two important requests, that so this new cycle of the "Casa Cristo do Bem" could continue not only through the groups of prayer, but in the service task which this House always carried out; the Divine Mother says we must renew and welcome souls, because there are many, many souls here, in this city, Mary said, who need to wake up their inner Christ. And She established a special blessing here so that this could happen, and Mary was telling us that this would happen through the act of our service.

She committed to accompanying us in the task of the "Cristo do Bem" (Christ of the Good) and Her request was that the image of the Mother of the Divine Conception of the Trinity should manifest here.

She consecrated this space where the altar is for placing the image, as it is in various Marian Centers, the white image which has the rosary in Her hands; and that image will also be at the Marian Center of the Child King, because She always said She would be the Doorkeeper of our homes.

Madre María Shimani de Montserrat:

And fulfilling a request of Our Lady, we will reveal a new cycle to you that we will experience with Her.

Yesterday, when we were performing a prayer at the Marian Center of the Child King, in the liturgy, Our Lady appeared unexpectedly and She showed us something very important; She showed us how She will begin to appear in this cycle of humanity.

She told us that She made a special end of cycle request of God, because She needs to gather up all our Hearts into Her Heart; and She will make a last attempt for this humanity, because things are getting more and more difficult, and the greatest sorrow of Our Lady and of Christ is that humanity is rejecting the Mercy.

Humanity does not pay attention to the call of the Divine Messengers and turns its back on the Graces of God. For this reason, Our Lady will make Her last motherly attempt and we are now going to read the experience that Friar Elías had yesterday, where the new Presence of Our Lady is described and what Our Lady will do with us during all this next year.

***Sister Lucía de Jesús reads the story** on the special Apparition of Mary, Rose of Peace, of February 27, 2015, during a private prayer of the consecrated members of the Grace Mercy Order, at the Marian Center of the Child King, Teresópolis, Rio de Janeiro, Brazil.*

Mother María Shimani de Montserrat:

The rose Mary offers us is the spiritual symbol of Her Conception. We could say that when God conceived the Spirit of Mary, through His Thought and His Love, He materialized a white rose, which would be the symbol of Original Purity.

For this reason, today Mary offers all of humanity the most precious thing She possesses as Consciousness, that which God conceived of for Her Spirit in the beginning; it is the last thing She has.

For this reason, we have to keep very much in mind the urgency Mary feels about our hearing Her call. She has already divested Herself of everything, including the purest She has, which God has given Her since Her Origin. For this reason, it is very important that we are able to respond to the

call of Mary.

As from tomorrow, March 1, every day Mary will descend over the planet to once again give a daily Message with Her Instructions, Her call of Love for the rescue of all this humanity. So we will be attentive to be able to receive this Grace of Our Lady and be able to accompany Her in this cycle so that, as She says, God is able to see that this humanity still is rescuable and we are able to show Our Lord that His angels have no need to send His Justice.

So we invite you all to pay attention as from tomorrow; in reality, be more attentive so that all of us are able to share this new cycle, which will surely have a significant impact on the planetary consciousness; because as we have been able to see, in this end time, our Mother has been very direct and has told us many truths, because She considers we are already adult children and that we need to know the truths of this world.

So, for everybody, pay attention as from tomorrow, or more attention. We will say goodbye, singing as we always do, and we personally want to thank you all for the warmth of heart we were able to experience here today.

Song: "Mercy, Mary."
