APPARITION OF THE VIRGIN MARY AT THE LIGHT-NUCLEUS IMMACULATE HOUSE OF THE RELIEF OF SUFFERING, IN SÃO CARLOS, SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

O My beloved children! I congregate all of you within My Heart, a safe Temple for your redemption, a safe Path for your conversion, for the relief of all suffering.

Today, I Am here in bliss and joy. I Am your Mother, the One Who relieves suffering and leads you to peace. I waited for such a long time to return here, to contemplate with My own Eyes, and feel with My own Heart, the ardent bases of the Work of God, expanded and multiplied within consciousnesses.

This is why I Am here, to confirm this Sacred Project of the awaited House of Saint Lazarus, in honor of the one who was resurrected by My Son. Through this House of healing, welcoming and cure, souls will again find forgiveness and reconciliation.

As I told you a few days ago, I also come to bless the Fraternal Service Project.

The world needs to know that there is a place on this planet where the Work of God reflects and manifests itself with the effort, dedication and sacrifice of brave hearts, with those who trust the Divine Mother and follow Her steps toward that which is unknown and infinite, although often times they do not understand what this means.

I come to joyfully announce to you that your faith has brought you here, to this moment, at which the world needs the Law of Healing to again find the Law of Peace and thus find the path of love and forgiveness.

I would like the Mother of Relief of Suffering to have Her place at the Sacred House of Saint Lazarus, because there I will gather the souls and hearts that most need healing. Beyond the care or the welcoming, most importantly, My dear children, is that each gesture and act that you carry out, however small, may be done with love. This will heal the lives of many people, relieve the suffering of many hearts and grant peace to all.

This is the most important task of Brazil at this time, because the Sacred House of Saint Lazarus is not only for those who need it, but it is also for this whole Work, sheltered by My Immaculate Heart.

Time will pass, My children, and your souls will need this place to live deep healing on the last day of your lives so that this passage may not be a passage of fear or suffering, but rather a path of transcendence and ascension of your souls and spirits toward perfect union with the Source of Light in which your inner experiences will be poured out to re-create this Creation and confirm to the Eternal Father that this Project of Redemption of humanity is possible.

This House of Saint Lazarus will be open to the whole world.

You know, My children, that the planet is sick and that humanity is sick in all senses. This is the reason for the importance of this Sacred House. May it not only be a space of welcoming and attention, but also a favorite place of My Heart, where love may reign and express itself.

I also come here to bless the Fraternal Service Project, a silent work that began during the last pandemic and which is imperceptible to many hearts, but merciful and kind to many souls.

Today, I give this pillar of the Fraternal Service Project to each one of you. This is why I have come here as your Mother of Relief of Suffering, so that you may relieve the lives of many people, so that more hearts may know that it is possible to find peace and love again through the heart of this Sacred Light-Nucleus.

May enthusiasm to serve, to give of yourselves for others, to place others first at all moments, beat within your lives, because the Love of My Son must triumph in hearts, My children, just as His Love has triumphed in your hearts throughout these times. Although you may fall or deter yourselves, although you may fear failure or the unknown.

I come here today, My beloved children, to extend My Healing Mantle of relief of suffering, and to tell you that I Am present in each one of your steps. Therefore, never forget My Heart, the Sacrificed Heart of Mary which continues to be pierced by the insults and sins of the world, the Heart that will always give its life for you, that will always listen to you and receive you, that will always grant you peace and hope to move on in these times of chaos because all, absolutely all, need relief of suffering.

This is why today, in the name of My Son, I pour out the Principle of Compassion, which is a favorite Law of Christ that you should aspire to live every day, beginning with your dear and loved ones, with all those whom you find on your paths. Because it will not be challenges that will lead you to peace, nor will it be the confrontation among brothers and sisters. What will lead you to peace is the Compassion of Christ, which springs like an Incandescent Flame from His Merciful Heart for the whole world, for all souls that seek and need it.

Responding to the request of Christ, I also come here to consecrate new Children of Mary, this new group of prayer that I will found and bless today. It will have the sacred task of praying for the House of Saint Lazarus so that the pillars of love, compassion and charity may be the first ones to be founded, as the basis of this Sacred House so that the soul of this Sacred House, which will be built and manifested, may be supported by the Sacred Angel of God's Compassion, and souls may receive all the Graces they need from the Supreme Source, through the hands, and, above all, the hearts, that will offer themselves to serve at this place.

Therefore, I tell you, My beloved children, that, upon this place, the Sacred House of Saint Lazarus already levitates on the spiritual plane. Contemplate it, recognize it, accept it, make it a part of your lives and essences. Allow the Angels of God's Healing to descend and materialize this Sacred House of Saint Lazarus because souls cry out for healing, redemption and relief in this country and in others.

This will be the cell of God's Healing, which will heal the sick cells of the men and women of the Earth, through the sacred touch of God's Love in essences and in suffering hearts.

Once again, I rejoice for being here, because in the anonymity of the hearts that serve here, during this last pandemic, the spirit of the warrior of love was forged, of untiring charity, of sustenance for

families in need, of the ardent aspiration to manifest the House of Saint Lazarus. Because remember, My dear children, that everything is part of the Work of God. This belongs to the Eternal Father, and your lives are called to participate in this Grace, which is extraordinary and special to all.

Place your hands in a sign of reception and receive, from the Mother of God, the consolation and relief of suffering that your essences and the essences of the world need today.

When this House is manifested, I will be the first to enter it, to bless it with My Light and My Love of a Mother. Because if this happens, My dear children, the Law of Healing will not disappear from the planet, it will not be dominated by conflict or disease but rather the Law of Healing will triumph through Love.

Receive this treasure of the House of Saint Lazarus, and now take it to your hearts, making a vow with Me to do all that is possible and a little more so that this project may descend as soon as possible, because while this has not yet happened, the world will continue on suffering.

Friar Elías del Sagrado Corazón de Jesús:

May the Children of Mary who will be consecrated stand up.

I come to bless you in this new task, important and favorite for the Mother of God, so that the streams of the Law of Healing may descend and flow from the Universe to this Sacred House of Saint Lazarus, ardently aspiring for many more hearts to attain the Healing they need and the relief for the suffering that makes them agonize and suffer.

Therefore, offer your hearts to Me today so that I may elevate them to God and present to the Eternal Father the sincere and honest offering of the hearts that will strive to carry out this Sacred Project of the House of Saint Lazarus, which I lovingly share with you today so that you may feel as a part of this Divine Grace.

Therefore, I consecrate you today, not only as My Children but also as My prayerful soldiers, as the pillars that will spiritually offer themselves to sustain this Sacred House of God and allow the Angel of God's Compassion to inspire, guide and orient all those who will fraternally serve those who suffer during their last hour of life.

I consecrate you as My Children, as the guardians of the House of Saint Lazarus, as stewards of the Sacred Project of God's Healing for this suffering world.

In the name of the Father, the Son and the Holy Spirit. Amen.

With joy, bliss and infinite gratitude, My Son sends Me to pour out His Graces and Mercies through the Sacraments.

Today, those who have not been anointed will be anointed, those who have not been baptized will be baptized. This is what I will offer you with all My Heart and Life so that Love may triumph in your hearts and you may always remember, My children, that I will always be there, by your side, to lead you toward My Peace.

Let us pray, as from now and in the coming times, for the House of Saint Lazarus, so that it may keep descending from the spiritual plane as God commands, and in a little time it may be a reality on the surface of this planet, in Brazil.

Let us pray.

Lord,
may the advent of the New Race be fulfilled.
May humanity be able to express its archetype.
May the word be alive and build Your Temple.
That Your Mystery may expand within us
and true existence be revealed to the world,
so that we may gather in Your Name
and glorify Perfect Unity.

Amen.

I thank you for having responded to My call in such a short time. This is very significant to Our Father, because He can pour out His Trust in hearts and, through hearts, manifest His Infinite and Unfathomable Mercy.

Today, feel anointed by the Hands of Jesus through the Sacrament that will be offered with humility and simplicity.

Always be grateful for everything, the Law of Gratitude transforms and grants all.

Move forward! I will accompany you as the Mother Who relieves suffering, as the Mother Who will pray in silence for the manifestation of the House of Saint Lazarus.

I thank you!

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

We will prepare ourselves for the Sacraments. We will attune ourselves through a simple song called "Consecration," which for the Mother represents the relief of suffering.
