WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

While your voices, once again, unite to the infinite flow of the Mercy of My Son, the celestial powers can intercede once again for the urgent causes, mainly when through the recitation of the Divine Mercy the spiritual portals remain open, and help souls and all the situations that they live, by means of an expiatory Grace that grants liberation from the chains and prisons of evil.

But this does not mean, dear children, that everything will end. Because in this time of spiritual battle, the angels of the Lord, especially the angels of Mercy, intervene so that, by the merits attained by the Sacred and Unfathomable Heart of Jesus, as many souls as possible may be considered as rescuable souls before God.

Dear children, understand in this way that, at each moment or instance in which you may gather to pray, you must keep in mind that not only the opportunity spiritually opens for the Kingdom of the Heavens to intercede, but also that your own inner situations may find a path of peace to be resolved.

Dear children, all this is possible by the infinite merits that My Beloved Son achieved through the inexplicable power of His shed Blood and of His Life surrendered for the redemption of all the human race.

Uniting to the flow of Mercy is liberating oneself significantly from all possible spiritual judgment, whether personal or planetary, because the merits of Christ justify the errors committed and liberate the consciousnesses from any human-spiritual condition.

This is the moment for each one of My children to understand and, above all, to live the merits that Christ has granted to humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Mother of Mercy
