WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN SAINT-BONNER-EN-CHAMPSAUR, THE ALPES, FRANCE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

After 1961, your Heavenly Mother, through the Virgin of the Carmel of Garabandal, came to the world, especially with Her Message to the Church, so that all who participate in the Church might have time to mend and correct themselves.

Although your Heavenly Mother, through the visionaries of Garabandal, was very clear and direct, with the help of Saint Michael the Archangel, the Message of Garabandal was not welcome nor was it respected. The same happened in La Salette.

Now, while humanity finds itself divided by war, by natural disasters; while humanity is indifferent and in some cases insensitive; while humanity faces the challenge of a collapsed and traumatized planet, still, the Message of Garabandal has not even been recognized.

This is why I come to ask the world and also the Church to no longer try to silence the Word of God.

I come to ask you for the holy places, blessed by the true Presence of the Sacred Hearts, to be recognized and accepted because, while all that which comes from God is denied, neither the Church nor any place of this wounded planet will be able to help in the face of all that is taking place.

I invite you to recognize the Presence of the Most High through Our Presence. While this honest and sincere gesture does not exist, My plentiful Heart, full of Grace, will feel pain for not finding spaces or hearts to pour out My Graces upon.

I invite the Church, outraged by defamation, by the lack of transparency and chastity, to surrender and ask for forgiveness, so that it may keep being a pillar of sanctity and charity and may no longer be sad news that compromises the spirituality of millions of people throughout the world.

It is time for each sector of this affected surface to recognize its errors and mend them, before My Son comes to separate the wheat from the chaff. There is but very little time.

I thank those who pray without expecting anything in return.

I thank you for responding and for openly listening to My maternal call.

Who always blesses you and prays for you,

Your Mother, the Virgin Mary, Rose of Peace
