DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

By following the steps of all the souls of humanity, today I call you to continue praying for all hearts. Every day, humanity must open its heart to receive the Eternal Grace from the depths of the Heart of God.

Dear children, God awaits you so that from His Kingdom all My children may find the true Source of Love. As the Mother of Graces, I hold humanity in My arms like a little child. As the Mother, Help(*), I shelter the hearts that lose themselves. Your prayer helps to relieve the burden of pain and suffering in the hearts of many children.

Children, the Lord loves you, the Lord needs you, the Celestial Universe counts on your loving collaboration. Therefore, My children, assume in your lives a spirit of collaboration and fraternity so that many of My children may learn from your example of life.

Your souls must express the Spirit of God in this time, in this way the Love of God will be closer to the reality of all hearts. Try in each prayer to take one more step towards the inner refuge in the Heart of God.

My children, it is time to repair, and this reparation is perpetual, as much in the life of humanity as in the essence of all souls that must be in the Lord.

Today I want to share this reflection, since the number of souls in the world is rising and they all must be led towards My Immaculate Heart and towards the Sacred Heart of My Son. This will happen through your honest prayer. Heaven is for everyone, but in truth, My children, each soul defines its path at this end of time.

You are instruments of peace and peace must be life in your hearts.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
