DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear Children,

In the name of the Mercy of Christ, today I dignify Myself to visit this holy house, such as your Heavenly Mother visited the house of Martha and Mary to demonstrate that, through the lesson of absolute service to the Plan of God, many doors open themselves so that Graces may descend and the souls may receive the help they need.

My children, opening My arms and extending My hands to you, once again I come to give you the Peace of My Heart in these times. Times in which the life of the souls are at risk; the eternal game with My adversary will define the existence of the Kingdom of God in the largest amount of lives possible.

The offer of your surrender to the Plan of God and of your selfless service to others, creates, in these times, the so necessary and urgent merits for the salvation of humanity.

And while the game between light and darkness has already begun, your Heavenly Mother comes to aid you and help you to walk in confidence towards God, so that you be able to cross your own internal abysses and transcend the barriers of the internal difficulty.

If you are with Me and I can be with you, despite the time of your purification, you will not lose sight of the walk of My humble feet along the gardens of peace and love, along the internal gardens of My Heart.

Dear children, do not allow anything to close your hearts. My adversary also wants to imprison your hearts in this illusory and material life so that you may never again feel My Love. But remember that prayer is the great key that opens any door and heart; for this, brave and encouraged to live the purification of life, take My hand and you will not get lost in any abyss.

As the Mother that loves you and protects you I will take you through the path of peace and ascension.

Children, take the first step and live in time the act of forgiveness and reconciliation; may your hearts not be hurt by anything, accept the cross and carry it in confidence next to My Son, as He carried it out of love for you.

This captivity of suffering will end when the majority takes the first step; thus, also My Immaculate Heart will triumph. I leave you this reflection for you to study it.

I thank you for answering to My call!

Who gathers you to love and forgive,

Your Mother Mary, Rose of Peace
