After living the time of your purification, your Heavenly Mother will take you to the Blessed Kingdom of Her womb so that your souls, already free of every stain, merge themselves in the essence of the Love of God.

For this cause, My children, your Heavenly Mother comes to the world to liberate it rescue it and open your eyes again for them to see the Mercy of God.

Your tireless effort to live purity and chastity is contemplated by the Grace of your Most Holy Mother and I always take into consideration that you are offering it for all those of My children who are lost and surrounded by the illusion of a materialistic life.

This is the profane and wrong code that your Heavenly Mother, through Her prayer and Mercy, comes to redeem and rehabilitate.

Dear children, this time is marked by a cycle of intense purification; blessed are those that always pray with Me because My Pure and Immaculate Heart will make you live the times of readjustments in a harmonious way.

Wish deeply and with your heart to be able to reach the cure of all the aspects of the superfluous, not redeemed life, the one which in these times has lost the true connection with God the Father. I, as your Mother who loves you, come to demonstrate to the hearts that life belongs to the sublime work of the spirit. I come to lead you to the reencounter with a model of life like the one of My Beloved Son.

May the Lord guard you and may you always have the internal strength to overcome yourselves and give testimony of your sacred redemption.

I thank your for answering to My call!
