DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear children,

As the Mother of the Infinite I come to show you that you must always seek the internal union through the love that springs from the depths of your hearts.

In this way, on this path of search and union with the Infinite Celestial Father you will be able to see, with a different sense and from a different place, things bigger and deeper, every time you look for this internal fusion with all of the Creation.

On this day that retires itself, I want to call your attention to the true divine mystery that is revealed beyond your daily lives.

Dear children, as the Mother of the Infinite I awaken in all of the hearts the true feeling for a life divinized in Christ. My work is fulfilled in everything that was created by God, when the soul simply accepts to live the conversion of the heart.

Beloved children, one part of this spiritual infinite lives inside of you and My only aspiration as a mother is that you be able to recognize it in these times of changes. Searching for this infinite you will be able to recognize your mission and when that happens, I will be able to say, children, that My task has been accomplished in your lives.

I thank you for answering to My call!

Who unites you to the Infinite Celestial Father,

Your Mother Mary, Rose of Peace
