### DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN PRESENCE OF THE MOST CHASTE HEART OF SAINT JOSEPH, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My children,

Every 19th day, My Chaste Spouse opens a universal and celestial door so that lost souls may find again the way back to God, the Creator.

So that this Grace may be granted in the heart of the simple and good server; so that each one of you may be, every 19th of the month, a bridge toward the Universe of God; your Beloved Saint Joseph needs you to love to seek the essence of a humbleness of heart, so that from your minds the codes of self-destruction and illegitimate power against My Beloved Son may be banished.

Every 19th of each month, through your prayers, the altars of Saint Joseph receive lilies of light, souls redeemed and converted through the loving action of your sacred offering.

Each lily of light which is placed at the foot of the altar of the Patriarch Saint Joseph is then offered as a symbol of restoration and of peace between humanity and God; in this way, the Plan manifests again month by month in the life of each soul.

Dear children, all these redeemed souls merge into the Great Heart of God and a new Purpose descends over a world which would already be on the edge of a universal collapse.

Children, do not waste time with your inner realities; be consistent with the Grace of the Humility that Saint Joseph pours out every month. In this way, you will drink of the Source of the Humility of Saint Joseph, and as a result, your lives will achieve a good redemption.

Every 19th day, My Immaculate Heart is the most pure and most chaste portal so that millions of essences of this world may achieve the Parentage of God and a Filiation with God through the Chaste Heart.

Each novena made to the Saint of Humility and the Poor Laborer of God is received in the Kingdom of the Heavens as an opportunity to transform your lives.

Do not deceive yourselves, My children; take the Hand of simplicity and chastity that My Holy Husband reaches out to you, with the hope that one day you may reach the path of renunciation and humility.

Thus, be pure of heart, and you will not miss the infinite Grace of continuing to be instructed by Saint Joseph. He is your Father and Guardian. He is the One Who after My Assumption, from the universe, assumed your conversion to God.

Seek that which is most simple in you and give it to the Chaste Instructor of Love; in this way, you will be able to know all the humble things that allowed the glorification of the Sacred Hearts.

Today, your Heavenly Mother is here to console you and hopes you will now be able to grow into the maturity of a simple evolutionary life, yet full of the humility that will make you similar to My Beloved Son.

Greetings to all the missionaries of peace and I hope this same group of souls has the Grace of continuing to respond to the designs of the Celestial Messengers; for Our eternal aspiration is your humble sanctity, a sanctity that will awaken to the New Humanity.

I thank you for responding to My call!

Who carries you into the arms of Saint Joseph,

Your Mother Mary, Rose of Peace
