**MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF AURORA,
TRANSMITTED BY MARY, ROSE OF PEACE, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Dear children,

I am the Mother of all peoples, all races, all languages, all beings. All the Creation of God comes from My sacred maternal womb. In Me all creatures are gestated; through Me are born and reborn the beings, the worlds, the universes. In My Heart I shelter and guard much more than all souls; in My Immaculate Heart I receive and welcome all creatures of all the kingdoms of this blessed and sacred universe.

My beloveds, you might ask why so many times I present Myself to you and in My words I say who I am. I speak about these things because God asked Me for humanity to recognize, in the end of times, the Feminine Creative Source, the Maternal Heart of God, which takes care of all that He created.

So many times I said "I am", because humanity does not know Me and for not truly knowing Me, it does not seek Me and it does not look for My help before all the difficulties of life.

My dear ones, I present Myself to you as the Mother of Christ Jesus, because so it is. My Son is Omnipresent and He is in everything. His Most Sacred Consciousness reigns today in all creation and, thus, as I am His Mother, I am the Mother of everything that exists.

I ask you to receive My words in your hearts, because only there you will be able comprehend what I say to you. The one who may not open the heart will never be able to discover the celestial mysteries and the one who does not enter into these mysteries will never be able to find the true Universal Source, that is the Consciousness of God the Father.

My words seek to lead you to the truth, but humanity is very separated from the superior reality and few are willing to deepen into something that they do not comprehend and that they do not accept, for being so far from what they live in this world.

My beloveds, My presence invites you to the complete transformation of life and of heart. Many are the ones who do not accept Me because they are afraid of getting lost in the depth of My words and, today I say to you, that the one who deepens before the presence of the Divine Messengers and tirelessly seeks to comprehend, feel and live Our words, will not recognize themselves in a short time and they might not find themselves as they are today, because they will stop living and being a illusion, to express what they are, in essence and truth.

My beloveds, I say to you all of this, because throughout the whole history of humanity God sent Me to the Earth to lead humanity, but now, the celestial belfries are sounding and announcing that the time to live in illusion and ignorance is ending and I, as the Mother of all souls and of all beings that I am, have decided to launch Myself into the abysses of the planet and deliver the Gold of Truth to the ones that have always found themselves in the darkness of ignorance.

And even knowing that many may forever close the doors of their heart to Me, for not believing what I am saying or for not wanting to live the transformation to which I call them, I will never give up, because I also know that many will give Me their life and will make of this surrender, the reason of the conversion and the awakening of many other souls.

I want tell you on this day, My dear ones, that I will spare no effort to remove you from the sleep in which you live, that I will do everything to see you awake, knowledgeable of the Truth and of the living manifestation of the Will of God.

May today My words reach the depth of your hearts and impel you to take a definitive step. The souls wait for the definition of your hearts to find a tangible example to follow.

I love you and I wait for you attentive, vigilant and tireless in this long journey.

Peace for humanity.

I bless you,

Your Mother Mary, Rose of Peace
