DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today I come to erase from your hearts all the pain that may have remained there from the past, because the Eternal Grace of God allows Me to do this, as Mediator between all souls.

Dear children, opening your hearts today with joy, praise and canticles to the Most High, receive in them Jesus, the Redeemer. Keep His Merciful Rays in your souls so that as little sheep, you may walk with confidence towards eternity.

My children, today My Heart rejoices in seeing joy and purity in each one of the children from New Earth(*). Therefore, dear children, let us praise the Redeemer and let us thank Him because He has sent Me towards you to give you the Peace and the Love of My Immaculate Heart. To all these children that represent millions of little souls in the world, today I give My special Maternal Blessing as a luminous sign of the Holy Cross: in the name of the Father, the Son and the Holy Spirit.

My children, because of this special gathering in the Community New Earth, I want to ask you again for more prayer from your hearts, as has been born many times, and that each new prayer from the heart be directed especially to all the children in the world, even more to those who are without a father and a mother.

My Spirit of Immaculate Mother wants to embrace each one of them to relieve their pain and their abandonment. Therefore, dear children, it is important to consider in your life the prayer that repairs all the causes that are in need of peace and Light.

With your eyes raised towards the Heavens, My dear children, on this day I am grateful for the simple response from your hearts to My Immaculate Heart.

May Jesus be praised in all the children of the world! Thank you for responding to My call for Rio de Janeiro. In the Eternal Light of My Son.

Mary, Mother of the Divine Conception of the Trinity

(*) "New Earth" referring to the Light-Community New Earth, in Rio de Janeiro, where many children live.
