### MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Children,

I am the Mother of all the peoples, of all the nations, of all the races. Independently of recognition of My children, I will take care of you and will always try to lead you to return to the Heart of God.

I am the Queen of Peace and of all the attributes that lead you to God, because from My maternal womb comes all the beauty and perfection that you must manifest to the creatures in this world.

Turn to Me in order to live the Plan of God, pray with Me for the manifestation of a new world. The Heart of the Celestial Father never loses hope of seeing in His children the manifestation of His perfection and, no matter how injured and insulted by the human actions it may be, the Heart of the Lord is fixed on those who can express what they truly are.

Beloved children, the Mother Earth is about to have a planetary birth labor; She will give birth to a new civilization, renewing those who disposed themselves to be others and to discover truths that are opposite to the reality of humanity. Its contractions will lead the world to shiver inside and outside of the beings, because - before the true principle for life upon the Earth is born - all that is not corresponding to the Plans of God must be purified and expurgated from the planetary body.

My Immaculate Heart awaits to be able to shelter the largest amount of souls possible; because of this I advise you and I speak not only to those who follow Me, but also to the whole world.

Many will awaken late, but a true act of love and compassion might place them in the correct path, so that they may retake their posts in the army of the Lord and may proclaim the thousand years of peace.

My words are symbolic and literal at the same time. Those who meditate on what I say will know how to find the limits of symbolism and reality.

I ask you to not be alarmed and not to be precipitated in your actions, to only take responsibility for all that you know and to fulfill your own mission.

My Immaculate Heart will try to balance the planetary situation in many ways; therefore, do not think that I ask you many things, because all that I place in your paths is for the urgency of the world and you must fulfill all that I ask you.

Unite yourselves to manifest all of the works that the Sacred Hearts have been ordering for you because in a near future, the puzzle will be assembled before your eyes and then you will understand why We asked you so many things.

I love you and I thank you for trying to materialize My Work of Salvation, which is the Work that precedes the manifestation of the Return of Christ and of the Plans of the Creator.

I love you today and always,

Your Mother Mary, Rose of Peace
