SPECIAL DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

Dear children of Mine,

At the inner rising of the New Aurora, after a long time, today I gather all of the groups of prayer of Uruguay around My oratory of love. That is why, dear children, on this day I come from the Universe in order to establish a single group of work for the Plan of God in Uruguay; a unique opportunity that is granted to each one of you through the most potent spirit of the maternal Grace.

Dear children, I am giving to you an important mission: that of gestating within your hearts the spirit of fraternity and of service to the neighbor, something that has been a permanent attempt for a long time.

With the forthcoming existence of the House of Service requested by Saint Joseph, you will have once again the Grace of contributing with the Plan of God. In truth, the House of Service will be the reason for your temperaments and emotions to be worked on through voluntary and selfless service, as well as through the willing donation of your lives to the Plans of My beloved Son.

The House of Service that was entrusted with much love by the Most Chaste Saint Joseph will be able to fraternize with other houses and service organizations in Montevideo. This mission, which is now requested, will be supported by the International Humanitarian Federation, which is the mother consciousness for all of the planetary work.

Dear children, it will be right after you take your commitment to service before the Plan, that the Lord God, the Almighty Father, will then grant you the spirit of understanding and of wisdom so that you, My children of Uruguay, be able to understand in those moments, the importance of reversing the debts and the faults committed by the population of Uruguay.

This state of consciousness that I am talking to you about is not yet present in your beings, but it will be able to be so from the moment that you make an effort and that you love to be united above yourselves in order to materialize the Work of the Celestial Father, outside the well-known Church of My Son, because now the work is for all of the souls.

Dear children, the unification of your hearts and the absence of competition have been expected for a long time by the Universe. This unity through service and selfless love will place you in a position of assuming definitively, as Uruguayans, your task with Aurora. In this way, from this moment on, dear children, you will be prepared to accomplish, in these critical times, the materialization of the plan of healing of Aurora on the surface.

I lovingly dedicate this message to all of you today, because I know that you will need a celestial impulse in order to be able to continue on My Path.

Who loves you and accompanies you always,

Your Mother Mary, Rose of Peace and Mother of the refugees, on a celestial mission
