DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Remember, in this time, the Portal towards Heaven that My Immaculate Heart once opened in Fatima; a Portal of Peace and Redemption for all humanity; a Portal of Faith and Hope for all My children.

This is why today, My children, in the face of so many changes in humanity, I ask you to return in consciousness and with the heart towards the Marian Sanctuary of Fatima, Portugal, and from there may you see My Peace arise again for all the world.

Each Marian Center consecrated to My Immaculate Heart is seen from Heaven as a little piece of My Maternal Dwelling upon the Earth, as the Presence of the Most High among His beloved children, the creatures.

Therefore, dear children, raise your eyes towards the Portal of Peace, which represents My Immaculate Heart, and see in yourselves, the Love of the Redeemer being born.

May each one of My children be a new and renewed portal towards peace and fraternity. May each little child affirm in their life the Merciful presence of Jesus.

Today celebrate, once more, the anniversary of the Apparitions in Fatima.

I ask you all, My children, that you elevate your hearts for all pilgrims and non-pilgrims, for all those who live in faith and for those who have lost it, for all those who commune with My Son and for all those who forget Him.

Dear children, may each one of you today carry Fatima, the Inner Marian Sanctuary, in each one of your hearts. May your lives be uplifted again before the Light of the Father so that the essences may find the way of forgiveness and love.

My children, on this day, carry the Peace that My Maternal Heart once poured in Fatima and may this encounter with your inner sanctuary, with the House of God, permit you to recognize what the true state is that My Love wants each one of you to live in this time.

My children, with reverence, I tell you: awaken to this last call that My voice pronounces to the world, a call that speaks to you of the opportunity of redemption that your hearts can live and a celestial call that promises you a truthful encounter with My Immaculate Peace.

As the Lady of the Most Holy Rosary, I bless you all every day and I say to My little ones: Let us pray for the inner peace of each one of My children!

Celebrate with Me the presence of Fatima: the Marian Center of Love.

I thank you for responding to My call every day!

Mary, Mother of the Divine Conception of the Trinity
