DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

With immense delight and joy in the heart, I give My Blessing and Maternal Peace to all My beloved children of Argentina. For this reason, My children, I gather all of you around the Divine Sacred Heart of Christ so that your souls may reaffirm their alliance with the Universe of Love and Peace.

Dear children, today is one more moment to remind you of the confirmation of each one of you with the Universe and with the life of prayer, necessary and fundamental for humanity in this end of times.

Dear children, as the Queen of Peace in Medjugorje and in the world, today I ask you to pray from the source that exists in your hearts.

Today once again I ask you to pray to prevent wars, persecutions and disorder in the life of humanity.

Today, dearest children, I ask you to pray to prevent suffering, pain and the desperation that My Immaculate Heart witnesses day by day in this world.

Today I call to pray to alleviate My flagellated Heart that is hurt by the grave offenses of humanity.

Dear children, today I am calling you to awaken your small consciousness in the face of the events that are unfolding in this world.

As the Mother of Graces, today I ask you to place your hearts under the Redeeming and Merciful Rays of My Beloved Son, because it is in Christ that you will find Relief, because it is in Christ that you will find Light and Forgiveness, because it is in My Son that you will find the Reconciliation that your lives and the lives of humanity need.

Therefore, My little ones, may the hope and the joy of serving God awaken in you, because you should know that many of My children must live the redemption of the heart.

My children, on this day of meeting with Me in Luján, a Sanctuary of love and faith, I ask that through prayer you unite to Jesus, that you call Jesus, and that you look for Him so that His Divine Spirit of Love may be with you, visit you, guide you and shelter you in everything.

Dear children, for one more month I say to you: thank you for responding to My call, to all the pilgrim hearts of Argentina!

I thank you!

Mother of the Divine Conception of the Trinity
