DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES, TRANSMITTED IN THE CITY OF SAN ESTEBAN, CÓRDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

Dear children of Mine,

The hope of the apostles of Christ must be what renews the entire planet. It is for this reason that the humanitarian missions to regions that are so needy have the preferred motive of repairing, through inner hope, faith, and love to God, the consequences generated by evil.

Dear children, the tonic for these times is an inner attitude of the soul that truly trusts in the Lord, which is unknown to My adversary.

My Children, the humanitarian mission in Turkey will try once more to recover the faith and the hope that My children from the Middle East have lost.

Hope and faith are an inner spiritual attitude that flows in the hearts of beings, just as do the Laws of the Universe. The hope of the apostles and of the followers of My Son is something that cannot be taken away because it is the essence of a deep conviction united to the Heart of the Celestial Father.

Turkey is a nation that could gestate in consciousness the vortex of hope, something that could greatly help Syria, which is experiencing an unprecedented battle.

Christianity is the confirmation of the faith of good souls; for this reason, dear children, through living this inner christianity without the need to proclaim it, you will be on the path of trust in God, an infinite virtue of the Celestial Father.

Dear children, at this moment My missionaries of peace are being guided to establish this spirit of faith and hope in the essence of those who were left behind by the cruelties of the world. It is thus that today I invite you to renew the sacrament of faith, so that through this Your Heavenly Mother may have the joy of expanding Her work of peace in the world.

Dear children, know that I never abandon you and that in these times I am with whoever opens their heart to Me so that I may heal them; My last Graces are still being poured out.

Who will accept them in deep faith?

I thank you for responding to My call!

Who renews you in the sacrament of Faith,

Your Mother Mary, Rose of Peace and Mother of the refugees
