**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF JOINVILLE, SC, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My beloved children of Brazil and the world,

Today I gather you all in this sacred oratory of devout souls in the city of Joinville so that you may give testimony that My loving presence is still here among you and that the pilgrimages of the Divine Messengers are active.

Children, I came from Heaven to ask for your collaboration and cooperation so that the pilgrim mission in southern Brazil can end just as the Celestial Father has foreseen in His Heart.

Each pilgrimage that is fulfilled through your collaboration means a major step toward the salvation of souls, and above all, towards the establishment of a greater approaching time of peace.

My children, today I call on you again to be collaborators in this sacred work that encompasses not only your planet, but also the Universe. Whenever We, the Messengers of Heaven, descend, it is to bring peace and healing for humanity.

Each place where you must visit in pilgrimage in the future with effort, dedication, and transmutation cannot remain without the assistance of Heaven. You, My beloved children, are the ones who hold the keys and the tools to open the doors of Heaven so that the Hierarchy can draw closer.

Today you must not only be My children, but also My servants, instruments that help Your Heavenly Mother to materialize Her plans of Peace. The pilgrimage in southern Brazil is not yet ended, and the work that is being developed through the most recent meetings with the youth in the different cities, is awakening a fountain of Graces in the hearts that are not yet redeemed.

Dear children, Your Most Holy Mother will expand the pilgrimage in May, as well as in June, when the mission will deepen in the hearts of the self-called.

It is at this moment, children, that I prepare you to take new steps in the life of the fraternity, of charity with the Evolutionary Plan, and in the equitable donation of things. The planet is your home and all are invited to take the steps in the name of love and redemption of humanity.

Children, My spiritual pilgrimage through nations and continents will be expanding given the urgency of recent times, and for the awakening of those who are still sleeping.

My coming to the city of Joinville has the mission of having the European consciousness, which is to be found here, recover its affiliation with God, and thus liberate Europe from all the mistakes made over the last hundred years. Joinville is the synthesis of the European consciousness that must set aside individualism in order to learn to unite with fellow humans in charity and equality. For this reason the prayer groups that are here will have the demanding task of awakening sleeping hearts, so that they may participate in the school of redemptive prayer that I am indicating to them.

Children, may this call for a more fraternal and conscious collaboration remain in your consciousness, and especially in your hearts, in face of the need to fulfill My plans of Peace at the end of times.

I will sincerely appreciate the contribution of everyone. As the Master of Light says, the hand that donates is never impoverished; this is Law in the Universe.

I thank you for responding to My call for Peace.

Who gathers you in the Heart of God,

Your Mother Mary, Rose of Peace
