DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

The request of the final times

Dear children,

In the days to come, the demands of service and prayer for humanity will be greater, demands that will lead to a redoubling of the efforts of all the apostles of Christ. So, in that constant offering of yourselves to others, Your Heavenly Mother will be able to help the souls who will suffer their own purification of these times of transition.

With serenity you will be able to embrace all the needs that arise; with prayer you will be able to resolve things that seemed impossible.

My Son must always be present in any request that arises, so that His Blessed Heart may guide you. This will help you to not make impulsive decisions, but rather to take action in the spirit of discernment and of peace.

The request of the end of times will lead you to respond to all needs, and although to you, My children, that may seem impossible to fulfill, the right keys will open the right doors for the solutions that are needed.

You will have to only continually appeal to wisdom and especially to higher love for the energy of the Eternal Father to show you the way out.

The times that are coming to humanity are marked by rhythms of life and demands that are inherent to the chaos that inhabits the hearts of those who are far from God.

Dear children, the vital formula for everyone will be humility, patience, and above all, the giving of self without conditions or forms. Through giving, you will find the path that will lead you to live everything in the name of the Mercy of My Son.

Between a few, much will be done, so that in this way, the unresponsive majority may also be considered part of the plan of salvation.

In short, you are called to imitate what Christ did alone on the Cross: give everything for love.

I thank you for responding to My call!

Who shelters you,

Your Mother Mary, Rose of Peace
