DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE CALVARY, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

Dear children:

Let us be today at the foot of the Tomb in the internal silence of the holy women, contemplating the corporal and spiritual restoration of Our Lord and, consequently, of all of humanity.

Let us be in vigil and prayer, waiting for the great moment of the Resurrection of Christ in the hearts of the world.

Let us remember and honor My Beloved Son, together with the angels of Christ, so that once more His infinite Mercy and Piety will save the lost ones.

Let us live the mystery of Redemption not only through the Cross, but also through the Tomb and internal union with Jesus.

Open your arms in donation and receive in your hearts the restorative healing of Christ on this Holy Saturday, in which the hosts of the Father gather in adoration and glory to bless the Beloved Son.

In this act of piety and of mercy, those who want to know nothing about Christ will come to know Him in some moment of their lives and will recognize in Him the great universe of love that His meek Heart of Love holds.

I thank you for responding My call!

In adoration at the foot of the tomb,

Your Mother Mary, Rose of Peace and Mother of the Calvary
