DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE CALVARY, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????

Dear children,

On this day let us contemplate the silence of Our Lord in deep preparation for what He will live during His Passion. For this, My children, just as the apostles did, follow in the footsteps of the Redeemer and commune of this sacred moment.

I encourage you to live the Passion of Christ as an event of transformation and love for everyone. I hope, My children, that your hearts become peaceful, just as Jesus became peaceful from the day that He knew that wrongful death was awaiting Him. He conquered death and all darkness.

Prepare your inner beings to participate, together with the Love of My Celestial Son, in these days of reflection and the living of the Passion of Christ. Allow, My beloveds, the fire of the Heart of My Son to transform you so that you lose your human condition and thus consecrate yourselves to the apostolate of the Universal Son.

Dear children, during these days we will prepare your consciousnesses so that they awaken to important realities of the spiritual plane.

I thank you for responding to My call!

Who guides you on the path of the Passion of the Lord,

Your Mother Mary, Rose of Peace and Mother of the Calvary
