DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????

Piety is the essence that lovingly supports everything. The heart is the dwelling place that takes in all misunderstandings and dissolves them in the source of love. The soul is the refuge that sustains and supports all real spiritual structures and it is the temple that suffers the consequences of the concrete mind the most.

The spirit is the fire that gives impulse to all things; it lives and governs by the Will of God, that which is fulfilled from cycle to cycle. Miseries are the result of lack of love and honesty with yourselves and in the face of others, and everything is liberated through the action of transparency and by higher love, which unties the knots of the consciousness.

Loving others is a double but victorious work, because in transcendence the new paths for everyone are outlined.

Take flight to the Heights and allow the Universe to show you the next step that you must take, because in obedience everything will be resolved.

I thank you for responding to My call!

Who loves you and forgives you,

Your Mother Mary, Rose of Peace
