DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

Dear children,

Through spiritual struggles, peace will be achieved; this is why the next path to follow in this planetary situation is defined at this decisive hour.

Dear children, today I need you to keep your faith ignited, the faith of the heart and the soul, so that in this way, the love of your hearts defeats My adversary. He does not know love, and fears divine and higher love.

Therefore, My children, with spears of love in your hands, battle for peace by radiating love and compassion in the face of so much human cruelty.

My children, the humanitarian mission in Turkey has moved the spiritual planes. All that produces chaos, as well as terrorism, and the annihilation of innocent people, generates a form of permanent spiritual battle in which the legions of light and the forces of chaos produced by the actions of humanity battle to define the reign.

The Almighty knows that all this is happening and that, day after day, this compromises humanity.

The prayers of all is a powerful weapon that causes terror and fear to disappear from hearts, because the weapon of prayer is full of the true love that your hearts can feel.

My children, let us continue working for peace; let praying soldiers form up in the first ranks of Armageddon, for the planet must be rescued.

I thank you for responding to My Call!

In command and prayer,

Your Mother Mary, Rose of Peace and Mother of the Refugees
