DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

May the joy of living and of being in God awaken in you today because in this way you will be in inner communion with the Creator.

Dear children, today I ask you that, through the prayer of the heart, you may commune again with the Presence of My Son so that all souls may unite to God and may awaken to the call of this time.

My children, as the Mother of Graces, today I radiate My Peace to you and I bring all of you closer to the Great Heart of God. The goal for today, little children, is to continue to pilgrimage through prayer, because the world needs your loving and giving help. The redemption of all hearts of the world is primordial in this time, and each one of My children keeps in their heart the inner potential to accomplish this praying mission that My Heart entrusts to you day by day.

Dear children, today before the Doors of Heaven I ask you to revere the Universe, because many of My children forget to look towards the Infinite to find peace. The enemy distracts humanity with modernities and this disconnects My children from prayer.

Today I invite you to love the primordial exercise of prayer so that at least some of My soldiers may help in the awakening of the new consciousness of the spirit and of the heart, that each child must have in these times before the Most High.

God will thank your praying posture at the end of times.

I thank you!

Thank you for responding to My call for peace.

Mary, Mother of the Divine Conception of the Trinity
