### DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

*I give My Peace to all My children and today I call you to trust in God, because in the end of these times your faith must be mature and it must be impregnated by your prayer.*

My children, carry in your hearts the Love of My Son because it is in the Love of My Son that your lives will find the trust that all need before the mystery of God.

Dear children, while the times are changing, your prayer must be pronounced as nourishment for life. Therefore, may in your hands arise the prayer given and radiated from the heart. Seek the Source that nourishes all things, may it be the water that quenches the thirst of your hearts and of the hearts that are alone in life.

Your communion with My Son through prayer will reveal to you the power that love has when it awakens in souls.

Dear children, your hearts must be temples that are redeemed and consecrated to the Living God, the Almighty God that is aware of everything, that loves everything, that knows everything.

Therefore, My children, may your consciences, within the trust of God, embrace the Love of the Most High so that, together with the angels of Heaven, you may help all humanity. May your hearts not fear for anything; may you walk with bravery to accomplish the beloved Purpose of God.

Dear children, open your arms to all so that the heart may show you how simple it is to love with devotion.

My little ones, the love of each one of you will give life to that which seems to be lost and will bring healing to that which seems to be in pain. The Love of My Immaculate Heart is the primordial reference for your lives. The one who is in My Son is also in My Heart, is in the Great Consciousness of God.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
