**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS????**

Give a bit of yourself to the Plan of God.

Give a bit of the verb that was given to you to pray for those who have it suffocated in their hearts and cannot proclaim their own faith, for the fear that they feel.

Give your arms for a while and serve in the name of those who have no way of working or that forcibly work to construct a kingdom of darkness which has the suffering of innocents as foundation.

Give your smile for those who no longer know how to smile and announce to the world that, even though there is so much darkness permeating the Earth today, those who are in God never lose joy because the reason of their rejoicing does not come from this world.

Give an act of fraternity every day. Give to the neighbor what you wanted to have. Leave for the other something that is very dear to you and renounce, child, the possessions of this world, in the name of all those who destroy lives and entire nations for an asset that will perish along with their souls, for being so involved by illusion.

Give a bit of yourself every day, so that the Creator will have, each day, a reason to pour His Mercy over the world.

Give of yourself and you will see how simple it is to balance the events - that are fruit of human imbalance - when you are sincere of heart. You will see how simple it is to radiate to the neighbor a real example of a life filled of God on an Earth where He is so forgotten.

Child, give a bit of yourself to understand the neighbor. Leave aside your way of thinking to enter the thought of your brothers and sisters, and understand them. Leave your way of feeling aside so that you will feel like your brothers and sisters, and thus you may truly understand them.

Leave yourself aside a bit every day so that you will be an instrument of God, even if it is for a moment.

See before you the Hand of the Creator and ask Him, every day, what He wants from you. Give to the Father whatever He asks you. Even if someday He might ask for your entire life, when this moment comes, the little bit that you have given of yourself, will have made of your soul a servant soul and nothing will cost you to surrender your life to the Lord. You will make it even before He asks you.

The One who teaches you to live the giving to God,

The Most Chaste Saint Joseph
