MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE AND UNIVERSAL MOTHER, TRANSMITTED ON THE EAGLE OF LIGHT BUS, DURING THE JOURNEY BETWEEN THE CITIES, OF SAO PAULO AND PORTO ALEGRE, RÍO GRANDE DO SUL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

My beloved children,

Contemplating the world, I see the numbness of nations and hearts before all the suffering and pain that many are living in these times.

The human consciousness has not yet learned to leave aside their own needs and comfort in favor of the evolution of the whole planet and, more than that, children, in favor of the salvation and redemption of all of humanity that is marking out its path into the abyss.

Even those who are listening to Me and who try to respond to My Call, for not living everyday situations of extreme chaos that others live, cannot definitely awake and offer their lives to the universe in order to be true instruments of God.

Children, in spite of what I have been telling you for more than eight years, few are the ones who truly understand My Call. I am preparing you to be sustainers of the planet. I am training you to leave, in your hands, the evolution of the Earth. The time will soon come when I will not be able to intercede for you, I will only follow you and silently cry out to God for you to stand firm and not forget the time when I was at your side.

In these times, I am trying to unite the hearts of the same nation, through the prayer with the visionaries, so that, thus united, you create a fortress that may sustain these nations and open the path for the return of My Son.

I am trying to unite the Americas, so that, together, you may build the foundations of a new race that starts from the principle of unity that will awake in your hearts.

And now, children, I want to reach Europe, to unite all of My soldiers and create an epicenter of light that prevents the expansion of chaos and evil in the world. Through My children in Europe, I will try to extirpate the seeds and fruits of evil that try to impregnate in the consciousness of the planet.

I want you today to understand the importance of responding to My call and building the spirit of unity among the different groups of prayers and among the nations of this world.

Live, My children, as one only praying army and help Me to reach Europe with the same endeavor that you would have to help Me reaching your own cities. This spirit of unity and fraternity is what will sow the principles of a new life in the human consciousness.

I count on you, My children, for the materialization of the Plans of God. I count on your conscious prayers, a symbol that you understand the urgency of the times.

I thank you always for responding to My Call.

In the eternal hope of consecrating the world to My Immaculate Heart, I bless you.

Your Mother Mary, Rose of Peace and Universal Mother
