### **SPECIAL MESSAGE,**

TRANSMITTED BY THE VIRGIN MARY TO FRIAR ELÍAS:

My children:

Because the Grace, the Love and the Mercy of Love of God are so great and infinite in your lives, My Maternal Heart of love, protection and support calls to all groups of prayer of Asuncion in Paraguay so that together with My clairvoyants they may participate in honor of the Lady of Peace in a special and co-redeeming apparition that will help, in the name of the Heavens, to alleviate and help spiritual situations that Paraguay must repair before God.

For this dear children, this apparition will occur by the Grace of God at 8:33 PM in the prayer place of My daughter Ana, who will be receiving together with all the group of Paraguay My Maternal Love.

Dear children for this you will wait for me praying of the Holy Rosary so that My Immaculate and Redeemer love will come close to you, to your hearts.

My children, day by day the world needs more of prayer and of the pilgrim path that you practice. My clairvoyants through the call of the apparitions have important information for this end of time as they also have had in Medjugorje.

My arms open up so that they may pour light and mercy over Paraguay. All of My people of the mother languages need conversion, love and hope.

As the Lady of the Americas, as the Mother of the Venerable and Blessed Universal Mantle of Guadalupe, I call you on this day to the conversion of your hearts because if humanity will become surrendered to the Love of My Son the world will have for one more time, Peace.

I thank you for answering to this special call for Peace and for Conversion!

Mary, Mother of the Divine Conception of the Trinity.
