**DAILY MESSAGE OF MARY, ROSE OF PEACE,**  
TRANSMITTED IN THE CITY OF SAN ESTEVE - MONTSERRAT, BARCELONA, SPAIN,  
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear children,

When souls pray, the doors to rehabilitation open and everything that seems impossible to resolve and is impregnated with error is dissolved as it receives the Light of the Spirit of God. This rehabilitation offers humanity the chance of living its conversion and of rediscovering the path towards the Heart of the Celestial Father.

In this time, My children, the Sacred Hearts open the doors of the Universe of love so that souls can enter and rehabilitate their lives and consciences. This present opportunity is the last one of this cycle; this is why I ask you, children, to be aware of this Grace so you can be part of it during the time remaining.

May your rehabilitation in this cycle help the rehabilitation of the planet and of humanity so that finally, the errors will be corrected and everything moves toward the path of the light and of redemption; also, live it for all the Kingdoms of Nature so that they also may be participants in this important spiritual rehabilitation that Heaven is offering to all souls of this world.

In this way, dear children, the age-old errors will be corrected and new opportunities will be given to those consciences that do not deserve them in these times.

Your inner rehabilitation will begin through love, the giving of self, and through the absolute surrender that you can give to the Celestial Father; in this way, the promised and awaited Earth will manifest after the cycle of purification of the planet and of humanity.

That spiritual rehabilitation was granted by Christ Himself when He died on the Cross for each one of you.

My children, accept this call. Redeem your lives in Christ and for Christ; thus the planet will be liberated.

I thank you for responding to My call!

For the rehabilitation of humanity,

Your Mother Mary, Rose of Peace
