**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?**

Dear children,

The Youth Campaign for Peace hopes to embrace, as an evolutionary proposal, all the young people from Brazil and from the world so that they may feel motivated to serve for the sake of humanity and for the end of war.

It is for this reason that the Youth Campaign for Peace, which will be supported by the Association Mary, will try to answer the demand of the young ones, of those who need to renew their lives and their habits through service, charity and the good.

At this moment the young people of Florianópolis are being called to diffuse and expand the work of the Heavenly Mother. Thus, through the Youth Campaign for Peace, the young ones will have a space to be able to express their moments of prayer, service and also of art and music as means for elevation and spiritual creativity, based on mutual respect, fraternity and union within the same purpose of peace.

For this, Association Mary should be the means that motivates and impulses the search for an ordered, peaceful life, of service and prayer for the planet.

Through art they will search to express the inner beauty of each soul, and prayer and the manifestation of music will be the place of encounter and peace with humanity.

The Youth Campaign for Peace will have its own website and at the same time will be the diffusor of the meetings of prayer for the young people, and also of all the moments of service and charity towards their fellow beings.

This campaign must aspire to live, as a base, the importance and urgency of having peace at these times and to radiate it to the whole world, so that in this way My Immaculate Heart may triumph.

This mission has the proposal to help all young people to find a spiritual meaning in their lives and their habitual environment.

I thank you for responding to My call!

In Campaign for peace and salvation,

Your Mother Mary, Rose of Peace
