DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

The Youth Campaign for Peace, which should be born in Florianópolis and later extend to the whole world, will give all My children the opportunity to rediscover the meaning of elevated spiritual life no longer through drugs, but rather in a life of altruistic service and prayer, safe sources that they will find for the elevation of their souls.

This Youth Campaign for Peace hopes to meet the needs of the young ones through Instruction about the true values of a worthy and spiritual life in this time.

This will be possible, dear children, because the Youth Campaign for Peace will attend to the request of the young ones about the understanding of spiritual life and of the Universe in its totality: of the macro cosmos.

The Youth Campaign for Peace intends to have as a base the source of expression through music that radiates peace, harmony, balance, and in some cases, states of union with Christ and with the Celestial Divinity.

For this, creativity through instruments will cause the young ones to feel motivated to create music that helps in the harmonization of the planet, just like some groups of young people will encourage themselves to express their union with Christ.

The art of the young ones within this Campaign for Peace will be expressed through images that appeal to the need of peace in the world, as well as in the expression of elevated messages of love, brotherhood and hope, searching to dissipate ideas of violence, mistreatment to the fellow beings and war.

It is for this reason that this Campaign supported by the Association Mary will allow to help the young ones to transmit to their fellow beings these values that they will learn, and in this way all the youth will one day perceive that it is not necessary "to search for God" through the influences that the adversary imparts.

A life of prayer will be born in a part of the youth, this will be the fundamental base for principles of redemption and healing to take place in humanity.

We will continue working on this project.

I thank you for responding to My call!

For the Campaign for Peace in the world,

Your Mother Mary, Rose of Peace
