MESSAGE FOR THE APPARITION IN MELO, CERRO LARGO, URUGUAY, TRANSMITTED BY THE VIRGIN MARY TO FRIAR ELÍAS:

Dear children:

As the Star of the Morning, I bring to the world the announcement of the awaited return of My Son.

As the Queen of Peace I give to you My Immaculate Peace so that you may recognize it in these special moments of humanity.

Dear children, today I ask you to pray for all My children of the world, for those that must be free from the past, so that they may encounter in the new time the victorious coming of the Heart of My Son. In you is found the path so that all may be concretized according to the Will of God.

That this day be filled by the presence of the Holy Spirit, a driving and universal force of God that will allow you to awaken wisdom in the decisions of life. Dear children, with the presence of the Holy Spirit of God you will know where to be and what to do for this definitive cycle of humanity.

I ask you to guard your lives in the Most Sacred Heart of My Son, because in this way it will be possible for you to be participants in the forgiveness and redemption of God. My children, as Mother of humanity I call you to be in permanent prayer so that your hearts may free themselves of all distractions, those which are diffused by the arts of the enemy. If you are inside of My Maternal Heart you will be inside of the Heart of God and you will be able to come close to the Heart of My Beloved Son, who waits for you in all moments.

Dear children, when I speak with you about being in constant prayer this means to stay for the majority of time in the Consciousness of the Kingdom of God because still the humanity that is seduced by modernity goes far away from the simple purpose of life and of the awakening of the love of the heart. Modernity convinces the hearts that everything is perfect and victorious: by means of prayer you can create barriers of light that protect you as My Heart protects you with so much love.

With My arrival in Melo, Cerro Largo, Uruguay, I am reminding you of the importance of simplicity of heart, a heart that each day must donate itself and surrender itself more to the Creator so that it will recognize the Will of the Lord.

I want from My children a humble and simple heart that is opened to the designs of God, that will participate in the new cycle of forgiveness and redemption for humanity.

Dear children I am with you guarding you in My Kingdom of Love and Redemption so that the new seeds will sprout by being in the ocean of the Mercy of My Son.

Awake dear children, because you are on time!

I give thanks to My children of Cerro Largo for answering to My call!

Mary, Mother of the Divine Conception of the Trinity
