DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

On this day I come from Heaven and, still being over the State of Sao Paulo, I expect the hearts of all of My children to feel moved, so that one day the spirit of charity, cooperation and good will be awakened in them.

In this beloved Brazil of Mine I find highly devoted hearts and lives that can truly contribute with My Plan of salvation in the world.

It is for this reason, dear children, that your Heavenly Mother will be in vigil and prayer during the month of October over the city of Sao Paulo, just as I was during all the Agony, Passion, Death and Resurrection of My Son, but this time I will be on My knees waiting for some consciousnesses to awake and take account of the importance of collaborating with this mission of peace to Central America and Mexico.

Why, dear children, do I manifest this to you?

It is not a threat or a greater pressure that I impose to you, it is a reality that goes beyond your understanding and consciousnesses, I try to approach you everyday to My plan of co-redemption that is established through the celestial command of Christ.

I hope that during this month of October, in which we will celebrate Aparecida, the Patron of Brazil, My little children will manage, with determination and faith, to accept this call of fraternal and mutual collaboration with the divine Plans of your Most Holy Mother.

My Beloved Son prepares Himself from Heaven to descend and carry out an important task all over the State of Sao Paulo.

It is for this cause that as of now your Heavenly Mother prepares you for this moment so that your hearts and not your minds may be receptive for the Sacred Words of Christ.

I need in these days that your lives sacrifice something so that My Plan may be fulfilled. I invite the children of Mary that have been consecrated with the heavenly mantle to make this exercise of sacrifice and austerity for the planet and for the Most Holy Son of the Universe.

I will thank you in advance for your most sincere effort.

I thank you for accompanying Me in the realization of My work of peace for the world!

Who unifies you,

Your Mother Mary, Rose of Peace
