DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I come on this day, dear children, to remind you that your Celestial Mother is still praying for the juste cause of the peregrination to Central America and Mexico.

It is so that your Eternal Father sends His Loyal Servant to declare to humanity that the moment has come to take a great step towards group life and fraternity.

It will be with these two great virtues that the consciences will perceive that they should come out of themselves to be able to be as a whole with their fellow beings.

I need you, My dear children, to adopt at this time this inner and outer attitude so that, in this way, the Plan of God reaches higher planes of consciousness and will be a reality for everyone.

I invite you to fraternize, to cooperate, to donate to the Work of the Celestial Father for you to be able to create the necessary foundations for the new humanity, because living on this way of equality and balance you will learn to pay off your debts and, at the same time, you will be led by the angels to find the real need to be able to supply it.

Embrace this announcement of your Celestial Mother because this way you, praying people, will see that the Plan of God will be fulfilled in all the planetary sphere for the lost humanity to receive a Grace and an opportunity.

Think about what I am telling you.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
