### **DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

When your hearts show themselves as children, I cannot see your faults, because they are erased from the Universe the moment you enter into prayer.

It is for this reason that with that inner youthfulness, the Father loves you more and more, because you manage to express the purity of the heart and this is reflected in the life of each being.

Do not lose time and love being like children in the arms of your Heavenly Mother, because in this way, with your innocence, you will allow the positive action of the Law of Grace to be drawn to you.

In your inner youthfulness there is no error, no evil, and no pain. Yearn every day, dear children, to be together with your Heavenly Mother so that I may teach you to find the path of love and of peace, because as long as you attain this state of an inner child and of innocence before My eyes, you do not need to worry about anything, because your Most Holy Mother will guide you to the Celestial Kingdom.

It is this inner and sublime purity that I hope will be born in you every day, because in this time humanity needs these codes in order to purify itself.

My Beloved Son will always be your example and company to live these sacred attributes of upliftment and of union with the Creator.

I thank you for responding to My call.

Who loves you in the original purity,

Your Mother Mary, Rose of Peace
