DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAN JOSE, COSTA RICA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Through the prayers, I clean the hells of this world and remove from those places whomever cries out for My help.

Through the prayers, I help the lower Kingdoms and relieve all the suffering they undergo.

Through the prayers, I guide souls so that they may find the Purpose and so that, above all, they may live Divine Will.

Through the prayers, I open the doors to Grace, and consciousnesses that would not deserve such an intercession have the opportunity of correcting and straightening their paths.

Through the prayers, the planet is relieved, and at least in a small percentage, its consciousness is protected.

Through the prayers, I can establish the Kingdom of God in hearts so that you always remember it and thus love it deeply.

Through the prayers, My Immaculate Heart is strengthened and this inner strength is radiated toward all who pray with their heart.

Thus everything is kept within a minimum balance, and the planet as a consciousness can breathe and endure.

All this will prepare it for its next transition and all those who have denied the life of the spirit and of transforming prayer will realize too late that they have missed the opportunity of reconciling with the Father and there will no longer be a return.

I thank you all for having prayed to My Beloved Son today.

Who unifies you,

Your Mother Mary, Rose of Peace
