**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SALAMANCA, STATE OF GUANAJUATO, MEXICO, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children:

With the strength of the Love of God I return on this day to tell you that it is in love where the strength of your lives lies.

It is in this love where the great miracles of life happen and where the human consciences can be transformed.

In love the doors are opened for what seems impossible to happen because if all is in love, all will be able to be fulfilled.

In the living of love are the keys that help the consciousness to be in God and to live in His sacred Purpose.

May the inner strength of this love, lively represented in Christ, be the model for those who live redemption in My Son, because having entered into the source of this love, all evil and causes will be able to be reverted.

It is so that every day through the trust in God that you have acquired, I invite you to be the expression on Earth, of this love that gives everything for others and for the Plan of the Creator; so this love of sacrifice, effort and surrender will always be seen in the Universe as something similar to what My beloved Son lived for all of you.

Therefore in this time the essence of love will be the guiding flame that will lead the navigators towards the luminous harbor of the Heart of My Son.

Do not lose hope of finding this love, of living and professing it, the planet and humanity need it with urgency.

I thank you for responding to My call.

Who blesses you in Christ,

Your Mother Mary, Rose of Peace
