MESSAGE FOR THE PRAYER VIGIL IN THE MARIAN CENTER OF AURORA, URUGUAY, TRANSMITTED BY THE BLESSED VIRGIN MARY TO FRIAR ELÍAS

Children, by receiving the Living Jesus in your hearts you will be giving the permission for Me to have, as Mother of the World, all of humanity in My arms. Now your hearts are getting to know from close the Source of the Mercy of My Son, this unfathomable Source that seems to be far from the life of all My children. Now He manifests Himself before your hearts to guide you through this path of Celestial Peace.

Dear children, you are called to the time of Grace, inside of a time of Justice. For this it is required of all of My children to be a true part of Source of My Son. This will also allow that the Grace of the Divine Mercy may be able to spread to the hearts that do not know My Son and to the hearts that do not want to be near My Son.

You are called to be the living testimony of the preparatory message that Christ is announcing before His Saving and Redeeming Return. Now humanity must live according to all of the blessings and Graces that by Mercy and intercession they have received. Remember dear children, that all of you are One, One for the universe, One for God, One as fraternity.

My Children, with humility I Am calling you to prepare the hearts because the moment has arrived of giving testimony about the messages that My Heart has handed you. Now your hearts must awaken to the Apostolate that My Son is showing for your lives. If your lives follow the teachings that My Son has left you, you will be able to understand My dears, that you are receiving from the Creator Universe the same Grace that the Apostles received.

For this, dear children, opening your eyes to the reality that you are living in this time, the Lord of the Universe sends you the Most Holy and Blessed Hearts of Jesus and of Mary so that they will be recognized and venerated as the light for the salvation of all souls.

Little ones, you are already leaving the school of maternity to enter in consciousness to the school of the Apostolate of My Son. The new Apostles are those who learn to live the Divine Love of God and the Compassionate Love of My Son. For this My children, you are still on time to enter once again into My Maternal Heart. There you will be inside of the Redeeming Love of My Son, because in this way I will be able to take you in My arms to Christ.

I Love each soul. I Love each heart that opens itself to learn from the love and from the redemption of the heart. Today, children, you will receive Me through the prayer vigil, because in this way you will receive My weekly message.

I thank all pilgrims for listening to the call of the Sacred Hearts!

Thank you for accompanying Me in pilgrimage to Montevideo, Uruguay, so that this city also may be blessed by My Heart.

Mary, Mother of the Divine Conception of the Trinity.
