DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

In these times of definition, souls will be able to choose consciously which path to follow in the present cycle.

Therefore, your Heavenly Mother comes to the world to instruct and teach souls for them to follow the only correct path, where they cannot be mistaken: the path of love and of peace.

If these two attributes are not present daily in the life of the souls on Earth, these will mean they are not connected to the true Purpose - the one that brings discernment and wisdom - but that in this cycle, temptation and mistake will make false a true spiritual life.

Therefore put your hearts and minds in the universe of My messages, dear children, help the souls that day by day submerge in this spiritual illusion, believing they are doing the right thing.

I need that at this time your lives may be a representation of the instruction of the Hierarchy and that through examples of love and brotherhood you may not allow to My adversary show himself so similar to that which really exists in Heaven.

Thus I invite you to be guardians of those solitary hearts that in many cases need a divine intercession and help to be able to be spiritually guided.

In this cycle, decide to be, together with your Mother, guardians of the most solitary souls of the world. May your inner love emerge towards all of them.

I thank you for responding to My call.

Who blesses and elevates you,

Your Mother Mary, Rose of Peace
