**WEEKLY MESSAGE, TRANSMITTED BY THE HOLY VIRGIN MARY TO FRIAR ELÍAS**

Dear children of My Father:

Today I come from Heaven so that together and under the Grace of God we will celebrate in prayer one more year of messages for the heart.

My children, the Lord has sent me to tell you that by the Law of Mercy your hearts will also receive the Consolation and Love of the Redeemer because My Son is arriving to each one of your hearts so that the flocks of the New Time will be unite themselves and follow him in the path of Paradise and of Redemption.

Dear children, after receiving so many Graces today My Heart declares for to your lives a maternal and immense gratitude that My Heart of Mother feels for the merciful gift that My children have offered me through the canticles that honor and praise the Immaculate and Universal Heart of the Divine Mother.

For this reason in the Heaven, in the greatest Heights of the Universe, the canticles were Heard by the angelic ears in the Thrones of God, and for this donated and abnegate answer of your hearts you will receive a powerful and victorious Grace from My Beloved Son, Jesus the Redeemer.

When the souls sing, the hearts can radiate the fountain of spiritual love, a singing love that allows the opening of the Doors of Heaven, because these hearts in the service of the Plan of the Father become for an instant, angelical hearts that touch with love and reverence the great Heart of God.

This is, My little singers, what was received by the Kingdom of the Father, because in the good melodies and in the canticles offered to the Lord many lonely and unsupported hearts became restored and redeemed.

Dear children, as the Queen of the Consoling and the Mother of Grace I come to proclaim to you a Good News that will be irradiated by the humble and loving Heart of My Son Jesus. For this, on this day of bliss and of joy, a Saturday of immense and unceasing mercy, your souls must be prepared to receive the Redeeming Love of My Son. Through the canticles, the prayers, the charity and donation, your consciousnesses will open a new cycle of the Return of My Son. First, Jesus will visit the gentle hearts and after will visit the peaceful hearts, and last the hearts that do not believe in the God of Love and of Piety.

As the Daughter of the Divine Piety, dear children, I invite you to contemplate the new time as something possible for your lives, a time of hope and of peace for all My children of the entire world. In you My little ones, must be born the prayer of love so that God may contéplate the constant effort of the New Humanity.

My children, for all these Graces that are coming from Heaven today I thank you all for donating to me the beautiful canticles of love and forgiveness.

Thank you for listening to My call in this New Year!

Maria, Mother of the Divine Conception of the Trinity
