DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

With the Eucharist superposed In My Heart, I radiate to the world and to the souls what they so much need for this time.

With the Sacred Eucharist superposed on My Heart, I separate everything that causes pain and dissolve the currents contrary to My Divine Proposal.

With the Sacred Eucharist superposed on My Heart, I establish the Kingdom of God and I give to drink, from the spiritual Fountain, to those who need it the most.

With the Sacred Eucharist superposed on My Heart, I call and convoke the servants of Christ in their different peoples and races, so that more suns may awaken in humanity.

With the Sacred Eucharist superposed on My Heart, I make concrete the Designs of the Eternal Father in the souls that attentively listen to Him.

With the Sacred Eucharist superposed on My Heart, I decree new Laws for the planet and I approach My children to the Divine Purpose.

With the Sacred Eucharist superposed on My Heart, I raise the human conciousness and take it to find the sense of its inner evolution.

I thank you for responding to My Call!

Who blesses you,

Your Mother Mary, Rose of Peace
