DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Fourth day of the novena:

"For the unconditional surrender of those consecrated to the Divine Plan of the Father."

Dear child:

Do not let your heart wither, nor let the fountain of love that springs from your heart dry up.

Do not allow your uncertainties and tests to corner you in a space without a way out; know from now on that you can always count on Me. I am your Mother and I desire the greater good for all of My children.

The present times demand big changes, that can happen in small rather than in large things; because while souls place their aspiration to change in great things, they will suffer and will not reach it in this life that God gave them.

The true changes that will lead us, someday, to be unconditional are found in small things, as in small gestures.

That's why, on this day of the novena, the intention is dedicated to all those consecrated who in these difficult times surrender unconditionally, because in them My Beloved Son will do His Work.

To surrender to the Divine Plan is to grow in lack of all expectation, result, or success. The Plan will always put you in the place and at the moment of being able to take a step without conditions; for this reason, in this world, the true consecration is lived by very few.

But that soul that makes an effort to be totally consecrated, know from now, that someday it will achieve it, because it will have the divine inner support for this aspiration to be fulfilled in its life.

Today, to pray for those consecrated to the Plan means something important, because in these times it is difficult to live in a Plan within a humanity in purification.

All is achieved with faith, hope, and determination.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
