**WEEKLY MESSAGE, TRANSMITTED BY MARY, QUEEN OF PEACE TO SISTER LUCÍA**

My children:

Tonight I want to thank the presence of all of My pilgrims, those who accompany Me with steps, and with the heart.

And to all of My praying children of the world, I come to bring the Graces and the Blessings that the Lord has commissioned to Me for this day.

My Light comes to touch the Earth in order to part all evil that involves it. My feet land over the path of prayer built by My children. The Lord sends Me to answer to the requests of humanity, to impulse you and to continue guiding each one of your little beings.

My Children, I need that your hearts never lose the incentive to pray, to unite themselves to God and to reconcile themselves constantly with Him. For this the Lord allows that your beings live hard tests, that you experience the suffering that permeates the world.

Each pain that your hearts may feel is led by the Hands of God so that you may share the pain that Our Lord feels for all that happens in the world.

In this way, beloved children, it is necessary that you may know how to overcome pain through the Love to the Father and to relieve your own heart and the Heart of the Lord through prayer.

Many complaints already arrive to the Heavens but few are the souls that offer themselves to relieve the Heart of God. And today I come to teach you to transform the probations of life in sweet offers to the Lord.

Each time that you consider how much that you seem to suffer little, you relieve the Heart of the Lord.

Each time that you thank the Heavens with a smile when you want to cry, you relieve the Heart of the Lord.

Each time that you make yourself available to walk when your feet do not want to continue, you relieve the Heart of the Lord.

Each time that you are capable of saying: "Mary, I am with You!" when you wish to lower your head and your arms, you relieve the Heart of the Lord.

Never forget that by relieving the Heart of the Lord, you take a step further to arrive to His Heart. For this today I encourage you: Relieve the Heart of the Lord.

I will be with you.

Thank you for answering to My Call.

Mary, Queen of Peace.
