MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED TO MOTHER SHIMANI

My dear children from Figueira:

I have been observing your inner world and I want to remind you that all My love is with you.

In these next days, in which you will be with the Most Sacred Hearts of Saint Joseph and of My Son Jesus, I ask you that you open your consciences for the Light and for the Love that They will deposit in your souls.

The Sacred Family will be in this blessed Community of Light that has a task of creating, in the midst of purification, a nucleus of life for the New Humanity.

In this month of March, in this House of Mine will be engraved for always, the codes that form the new archetype of the Sacred Family, that which will be a base for the future humanity.

In the same way that the presence of the Divine Trinity is in your inner world, it is also important that you deepen in what is happening with the presence of the Sacred Family in the Communities of Light, because this contains a spiritual mystery to be revealed.

I want that My children may be able to understand and to accept the love that these Sacred Hearts are depositing in your spirits to fill them with strength and faith, the same faith that we manifested in ancient Nazareth when the Sacred Family lived on the Earth.

This example of devotion and absolute fidelity to the plans of the Highest is what we want to leave in the consciousness of your Communities, principles that overcome every test when you always remain in your hearts.

I will be accompanying from the Kingdom of Heavens the encounters that you will have with the Most Chaste Heart of Saint Joseph and with the Most Sacred Heart of Jesus.

I love you, My children, and I guard you in My Immaculate Heart.

Thank you for answering to our call.

Mary, Mother of the Divine Conception of the Trinity.
