SPECIAL MESSAGE FOR THE VIGIL PRAYER IN BUENOS AIRES, ARGENTINA

TRANSMITTED BY MARY, QUEEN OF PEACE OF MEDJUGORJE TO FRIAR ELÍAS

Dear children:

May complete peace be in your hearts. One more day we gather in the name of My Son, to pray with the heart and the devotion of the Holy Spirit for the plans of the Highest.

Today, especially, My Immaculate Heart gathers you with the aim that you support and accompany, from your hearts, the Marian task of great conversion and liberation that the always Virgin Mary, Queen of Peace, will be realizing through one of the visionaries of Medjugorje.

Now you, My dears, and the whole Southern Cone will meet at the apex of a very important Divine Grace that will be poured over the souls of those who may be present in the encounter with the energy of Medjugorje in Argentina and this Grace will also touch the spirit of families and friends of those who in love and faith participate in this encounter.

For the first time on the history of your world, God the Father, the All Powerful, will allow to spiritually gather and to internally unite the three important tasks of the Holiest Virgin Mary in: Medjugorje-Aurora-Salta.

This is possible because of the loving union of the pilgrims, people who pray and servers from all parts of the world that, in infinite devotion, follow the Immaculate Heart of Mary through the three current manifestations of the Blessed Virgin Mary.

Understand My dear ones who pray, how important your prayer vigil during this whole day has been, which has allowed a spiritual preparation of Argentina and of the Southern Cone to receive the spiritual and divine impulse of the Mother of God.

In this way the Queen of Peace will take a larger number of children towards the Kingdom of Mercy and Conversion. If this union with the Immaculate Heart happens, especially in the children of Argentina, the divine plans foreseen for this nation will be assumed by the Holiest Mediator between men and God: by the Virgin Mary, Mother of all.

Dear children, now understand that we already are in the foreseen cycle of Christian ecumenism of the beliefs and the peoples of the world. What was written by John, the Apostle, must be accomplished according to the beloved designs of the Father. And you, as many other people who

are devoted to Mary the Holiest, will help so that this Holy Plan of conversion and fraternity may be accomplished despite everything. Because My Immaculate Heart will Triumph!

My children, may this special meeting of prayer be the spiritual motive to activate, in a definite way, all of the Centers of Prayer and to unite yourselves in prayer every day. The times give merit to great changes in the consciousnesses and in human life and all this must be sustained by the love and the prayer of all of the Marian groups.

You will always be in My Son and for this, be attentive to the footprints that His Heart marks for this new path in your lives.

Dear children, it is time for all of the servers to unite themselves in Brotherhood.

One more time, My children: I thank you all for quickly answering to this important call of support to the mission of Medjugorje in Argentina!

Do not fear for what will be said but live in the Holy Spirit and in Faith!

Mary, Mother of the Divine Conception of the Trinity, and Lady of Peace.

Amen.

Amen.

Amen.
