SPECIAL MESSAGE FOR THE VIGIL PRAYER IN BUENOS AIRES, ARGENTINA, TRANSMITTED BY THE BLESSED VIRGIN MARY TO SISTER LUCÍA

Beloved children:

What My Immaculate Heart needs today from each one of you is that you be available to accomplish in this time My Marian task of uniting all of My manifestations throughout the history of humanity and to demonstrate through the heart that I Am the same of Nazareth, I Am the same of Lourdes, of Fatima, of Salta, of Merdjugorje. I Am the same, My children, who comes dressed up as the Sun to illuminate the abysses in which the human beings live.

Beloved children, the Lord has commissioned to this Nation of Argentina, and to all of the faithful pilgrims that accompany Me with the task of praying for the conversion and for the union of My Faces in the inner places of all beings.

It may be, My children, that you do not understand the greatness of this mission that the Lord has entrusted to you, but if you open your hearts and make yourselves available before God, He may be able to guide you and in little time you will be able to understand what I tell you today.

When I talk about assuming the Nation of Argentina it means that I will be assuming the life of each one of My children and that I will be forgiving all the faults of those children that are not here anymore. It means, My children, that the possibility of My Liberation goes beyond this world.

Do you accept, My children, to answer to My Call?

I wait for you in prayer and in surrender.

Mary, Mother of the Divine Conception of the Trinity.
