**SPECIAL MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS, IN THE MARIAN CENTER OF FIGUEIRA**

Dear brothers and sisters,

Praised be the Most Holy Mary and Saint Joseph, Parents of the Sacred Family!

On this day of Glory, may the humble spirit of love of the blessed Most Chaste Saint Joseph resonate within you. In opening the spring of your hearts, may you receive the divine balm of the Grace of the Laborer of God.

My followers, may this day of celestial and universal meeting with the Chaste Heart represent for you a new path of trust in the plans of the Father.

After the past century, the Most Sacred Hearts of the Holy Mary and of Saint Joseph have addressed the world and souls in a special way so that all of humanity may recognize the most important devotion to these wise Christic Hearts, so as to:

- liberate the serious faults of the world,
- experience the Most Sacred Hearts in spirit, as faithful mediators before God,
- be able to save the world from irreversible consequences,
- establish peace in the world for a longer time.

These Most Sacred Hearts have lovingly offered themselves to be the safe bridge of Light that carries souls to the encounter with the Master Jesus, as well as They have offered themselves to awaken a true devotion to the Sacred Heart of Jesus.

My dear ones, thus you will be able to understand with your hearts that the special celestial coming of the Most Chaste Heart of Saint Joseph will awaken a deeper love for God in you, through the spiritual fatherhood that the beloved Saint Joseph radiates to the children of the Father.

And through the union of the Most Sacred Hearts of the Holy Mary and of Saint Joseph with the venerable and blessed Heart of Jesus, in this new time, humanity will be able to receive the Grace of repairing all the faults that have been generated during the past Twentieth Century.

The power of the love of the Sacred Family is a precious project of life that is in the plans of God and that will be gestated in the next humanity. For this reason, your attitude of love and surrender to the Most Chaste Heart of Saint Joseph will determine the possibility that this holy spiritual father of souls be able to intercede for the world before the Thrones of the Father for a longer time.

Let the example of humility and devotion, as well as of virtue, along with the trust that Saint Joseph had in God, be the reasons for awakening in you that trust and love for the designs of the Father.

In this era, may March 19 of 2013 remain permanently held as a remembrance and blessing for all of you. Let the Holy Father of families accompany you and unite all the families of the world, so that in these times they may be in the eternal Heart of God.

Receive this Divine Grace as if you were being born again before the eyes of the Father so that, united with the infinite Love of the Three Sacred Hearts, you may confirm your surrender in assistance and service to humanity, above all to the God of Love.

Under the spirit of the Love of God, may you be blessed.

Bliss and Joy!

Hail beloved Heart of Saint Joseph!

In Peace,

Christ Jesus
