DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF QUITO, ECUADOR, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Child,

Do not seek perfection while you are on Earth, because true perfection is found in Heaven, at the moment when your consciousness will definitely merge with God.

The path of perfection is conquered daily, at each new step, with each new test, until total transcendence is achieved.

In this time, in which the challenges and the difficulties are very great, the path of perfection is forged through constancy and commitment to prayer, making this spiritual exercise the main engine of transformation and of the daily battle.

All that will be until the human condition on this planet is defeated, a condition that is at the roots of this civilization.

Thus, with determination and valour, My child, continue working toward your perfection, in order to make the world a little more perfect every day.

Perfection is achieved under a spirit of humility and of an absolute surrender to God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
