DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The Cathedral of Peace

Dear children,

Today I approach you to present, from the inner planes, the Cathedral of Peace, a divine space that was conceived by God Himself in honor to the Divine Lady of Heaven, in order to generate an enclosure for the elevation of souls and the continuity of Her service for humanity.

The Cathedral of Peace rises within the Consciousness of Fatima and as a spiritual counterpart it acts on the inner levels of the essences, bringing to them the essence of the Original Purity.

The Cathedral of Peace receive the great souls that were victims and witnesses of the Love of Jesus, through their holiness, dedication and unconditional service.

Inside of the Cathedral of Peace the angelic presence, in its different levels of hierarchy, sustain and raise the Consciousness of Light of the Cathedral of Peace.

This sacred space, which is present in the inner planes of Fatima, awakens in every human being who visits the Sanctuary of Fatima, an aspiration to find their inner truth and, above all, their state of purity.

The Cathedral of Peace is nourished by the Source of Creation and, consequently, the other levels of consciousness that are below it also receive spiritual and internal assistance.

The Cathedral of Peace itself attracts the Principles of Creation to the center of its celestial vault, which might be understood as Gifts that awaken virtues and foster the inner manifestation of talents in the souls.

In this sense, the Cathedral of Peace, which was elevated in honor to Our Lady, is the spiritual magnet that attracts to itself the divine attributes that humanity will need to go through the final stage of its transition.

From the Cathedral of Peace emanates the sacred impulses of the Mother of the World for all of humanity, and the angelic and human consciousnesses that accompany the mission of this Cathedral are intermediaries so that everything that the Celestial Mother radiates can reach the souls,

regardless of their degree of awakening and commitment.

The Cathedral of Peace reminds humanity, from the inner planes, that it must return to the House of the Heavenly Father and find in it the spiritual values ??that will make all consciousnesses worthy.

The Cathedral of Peace is a bridge that leads us to Ascension and to the encounter with our infinite inner universe, a place where God is present so that we may commune with His Divine and Paternal Presence.

I thank you for responding to My call!

Bless you,

Your Mother Mary, Rose of Peace and Lady of the Cathedral of Peace
