DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Whenever the hour of Mercy comes My Arms are opened to pour Light upon the world because in this way the souls will awake to the inner call that My Heart provides for all of them.

The path towards My Kingdom is traced by the prayers of all of the faithful servers who during the hour of the Mercy clamor for My Name.

I want to collect souls as the flowers of Light that My Celestial Mother brings to each one of the essences. Thus I will be able to quench My Thirst for hearts and for the immature lives.

I hope to be able to bring more mercy to those who are alone, without a straight path towards My Paternal Consciousness.

I wait for the empty hearts because in this way I will accomplish the Greater Will.

Under the Divine Will of the Father, be blessed.

Thank you for feeling My Graces and words with the heart!

Christ Jesus, the Savior.
