MESSAGE FOR THE APPARITION IN THE CITY OF BETIM, GRANDE BELO HORIZONTE, MINAS GERAIS, BRAZIL, TRANSMITTED BY THE MARY, QUEEN OF PEACE TO THE VISIONARY LUCÍA

My beloved and little children:

I contemplate with the Heart each little effort of the creatures of Earth, because if, day by day, they transcend tiredness a little more and offer Me a little renunciation, they will generate great merits so that more souls can arrive to My Heart.

Dear children of Betim, Brazil and the world:

Today the Queen of Heaven and Earth descends upon the world to bless, forgive and awaken all creatures. My blessed Heart belongs to this world, it was offered to God for the Redemption of each creature of this Earth. For this, recognize today, before your hearts, the One who lives and reigns for humanity, so that the Plans of God for each being can really be fulfilled.

My beloveds, the Lord keeps a perfect Plan for each one of your hearts, a special and unique mission for each one of your lives. But humanity has forgotten the Will of God to realize nothing more than their own will. The world has chosen to not follow the perfect steps that the Creator has designed so that this world became a sacred world, where there would reign a Love that would not exist in any other place of the Universe.

Still there is time to revert this situation. My Heart arrives to Earth, My beloveds, to remind you of the Plans of God, to retreat your hearts from illusion and conflict, from competition and lack of love, and to say to you that the only way to God is the path of Forgiveness, of Unity and of Fraternal Love, capable of exceeding any difference amongst the beings.

My maternal Love approaches your hearts to bring to you Forgiveness and Mercy, to offer you the Redemption that will place you once again beside God and His Son Jesus Christ.

I only arrive at this time, in the same way I came in the last centuries, to awaken My children, the children of God who have forgotten His Paternity. Day after day, My beloveds, I say to you tirelessly that it is time to awaken, it is time to surrender, through Forgiveness, all of that which suffocates your hearts and that will not allow you to take the steps towards the Lord.

I am here before your hearts to teach you Love and show you the true power of a fervent prayer that can transform the happenings of the world. Keep in your hearts the example of My little shepherds of Fatima, who freed the world from a great war through prayer, fasting and the full union with My Heart.

If your hearts aspire to be clean of all suffering and of all pain caused by this world, enter My Heart. Through a sincere prayer, offer the Lord the situations of life, allow yourselves to awaken above everything to live Forgiveness.

The world has a lot to forgive, My children, I see many hearts that close themselves for the lack of Forgiveness. Forgive, forgive everything that afflicts you, so that you can reach Forgiveness.

Do not allow yourselves to get lost in the things of the world because awaiting you are the things of Heaven. Do not live in ignorance of a common life, empty of God, when My Heart descends upon the Earth. I am the same of Nazareth, the Blessed and always Virgin Mary. I come to the world at this time to embrace it with My Heart and to repeat in a untiring way: "**Awaken, little children, awaken**".

The Plans of God must become reality on Earth, Love must reign in the world, the Redeemer that arrives in Divine Spirit will come in body, soul and Divinity, and will search for the Gifts that one day He had deposited in the human hearts.

Do not waste time in the pettiness of life, open yourselves to Love, live Forgiveness, call for Mercy. Push discord away through Fraternity and reach for prayer and for communion with Christ, the Redemption for this world.

I thank you My children for answering My Call and for searching to know My Heart.

I bless you today and always.

Mary, Mother and Queen of Peace.
